## Fun and Safe Drive.

In the new Alto 800, fun is a must but safety comes first. Its powerful engine matched with the updated safety features enhances confident driving. So you have a rocking ride. Always.

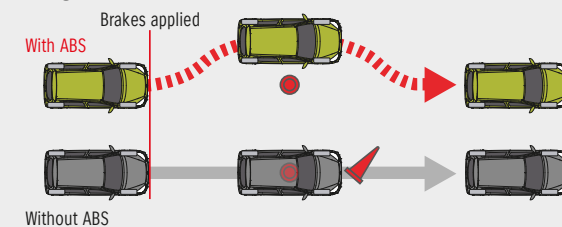

### Engine

The nimble Alto 800 carries a quick yet fuel efficient 0.8 litre engine. Several innovations help to provide low fuel consumption while still delivering ample torque at low revolutions.

### Transmission

Paired with the Diagonal Shift Assist (DSA) and Detect Pin Technology (DTP) the Alto 800 gives effortless shifting and easy manoeuvrability for an enjoyable drive like never before.

### ABS

### Safety

The use of high-tensile steel makes the Alto 800 light yet rigid and adds to its performance and efficiency. It is also available with airbags to help mitigate the impact in the event of a frontal collision as well as ABS (Anti-Lock Braking System) with EBD (Electronic Brake force Distribution) function for added stability and control in an emergency driving situation.

## Attention Follows You.

Show your zing with the new Alto 800. Choose from a dazzling selection of colours and stand out from the crowd.
